ProSystem *fx* Tax v. 2008.03060
Iowa Individual Tuition and Fees Scan

The Iowa Legislature recently decided not to conform to the federal treatment of Tuition and Fees. The Tuition and Fees deduction was removed from the Iowa program on Release 2008.03020.

This scan will identify Iowa returns in which the Tuition and Fees deduction was used so that an amended return can be filed.

To install this scan:

1. Download the scan program into your ?:\WFX32 directory.
    (where ? is the drive letter where your ProSystem *fx* programs reside)

Download W08IIATF.EXE

2. From Start/Run type ?:\WFX32\W08IIATF.EXE
    (where ? is the drive letter where ProSystem *fx* programs are installed)

This self-extracting executable file will open a dialog allowing the user to select the location where the scan files will be extracted. The default location is C:\Wfx32 and should be changed to the user's Wfx32 directory location as appropriate.

To run this scan:

1. From Start/Run type ?:\WFX32\IATUITIO ?
    (where ? is the drive letter where ProSystem *fx* programs are installed)
    Please remember, do not add a colon " : " after the last question mark (drive letter).

2. The scan output will automatically be sent to a text file which will be opened in Notepad. You can then use Notepad to print a copy of the scan output.
